Internet Harassment / SLANDER / False Identity / TRO Restraining Order
comes now the Plaintiff, Jonathan Lee Riches,^(c) in pro-se, under 42 USC 1983 and
a TRO. Numerous times during 2006 and 2007 defendants have been sending me
Pen pal mail under a female named Ashley, playing with my emotions, and promising
to help me with my Appeal. Defendants are violating my 8th amendment rights under
Booker and FanFan. I was enhanced millions of dollars not proven by a Jury, then put in
a medium facility with violent criminals at FCI Williamsburg. I'm subjected to Afro Americans
Helling Anti-white remarks. Defendants send me letters telling me to hang myself. They make
fun of my Jewish religion. They are putting me in solitary confinement. I seek a restraining
order compelling defendants to stop sending me fake letters. I also seek \$ million for pain
and suffering.
